

HAZMAT\CBRNE SEMINAR

Hazardous Materials Training for First Responders

A unique training opportunity for those in fire, rescue, EMS, police and other first responders to HazMat and CBRNE incidents

Successful participants will be able to describe and practice basic strategies to safeguard their health and safety when their work involves potential exposure to hazardous materials

Courses involve 24 hours of instruction over three 8 hour days

Presented by Master Instructors from the International Association of Fire Fighters

Hosted by Saskatoon Fire and Protective Services

Course Dates

May 21-23, 2010
June 4-6, 2010
June 11-13, 2010
September 10-12, 2010

Course Location

Saskatoon Fire and Protective Services Training Centre
116 Ave. W South
Saskatoon
